HOMEOWNER'S AFFIDAVIT
DISCLAIMER/RELEASE

I have read, understand, and agree to abide by the Covenants and Restrictions of the Association. In return for approval, I agree to be responsible for the following:

- Construction must be complete within sixty (60) days from the start of construction.
- All losses caused to others, including common areas, as a result of this undertaking, whether caused by me or others.
- To comply with all state and local building codes.
- Any encroachment(s).
- To comply with the conditions of acceptance (if any).
- To complete the project according to the approved plans. If the modification is not completed as approved, said approval will be revoked and the modification shall be removed by the owner at the owner's expense.
- The applicant further acknowledges that drainage swales have been designed and established between homes (side yards) to carry storm water off the lot and to maintain positive drainage away from home. The Association and/or developer shall not be responsible for any effect that any proposed landscaping installation or construction may have on drainage. The applicant shall be responsible for all associated costs to restore drainage per original site survey.
- The Homeowner is responsible for any costs associated with irrigation modifications as a result of this alteration.
- **The homeowner is responsible for ensuring that all areas affected by the project construction (i.e., landscaping, irrigation, common areas, etc.) are restored to their original condition. The homeowner will be notified of any deficiencies in writing and will be asked to correct any damage(s). Failing that, the homeowner is responsible for all the costs necessary for the HOA to properly restore the area.**

All applications must have this affidavit disclaimer/release PLUS vendor license and insurance attached.

I also understand that the ARC does not review and assumes no responsibility for the structural adequacy, capacity or safety features of the proposed construction, alteration, or addition, or for performance, workmanship, or quality of work of any contractor or of the completed alteration or description.

I agree to abide by the decision of the Architectural Review Board or Board of Directors. If the modification is not completed as approved with the specifications submitted in this application and I refuse to correct or remove the modification, I may be subject to court action by the Association. In such an event, I shall be responsible for all reasonable attorneys' fees.
